

CLASSICAL BALLET COMPETITION AND SUMMER COURSE 2008

CD PHOTO ORDERS- The beautiful photos taken by Anthony Hawkesworth during the Summer Course and the Competition 2008 are now available. The photo CD will be shipped out next week to those that had pre-paid for their order at the Summer Course.

For those wishing to purchase a Photo CD copy now or those needing additional copies, please place your order on the www.Cecchetti.ca web site.

DVD ORDERS- For those who requested a copy of the video you may now purchase it through the Canadian Cecchetti Web site.

PLEASE NOTE: Due to licensing and copy-write laws we were **unable** to use any music on the Contemporary Solo pieces and on several classical ballet and contemporary class pieces on the DVD. The video includes both the Classical and Contemporary classes and the two evening Semi-Final performances and the Final's night, including speeches and presentations. Even without the music behind the Contemporary and class pieces, it is a lovely reminder of the beautiful dancers we saw at this very special Event.

T-SHIRTS AND CECCHETTI POSTER- Limited quantities of 2008 and Competitor T-shirts are available at a very special price.
