Dear Cecchetti Member,

Your Cecchetti membership fees are now due for 2009. Please find attached the 2009 membership form, which should be returned to Louise Clatney, at the address provided.

Membership dues should be received by January 31, 2009. ISTD UK will impose a \$50.00 penalty for payments made after March 31, 2009. Members should be aware that membership fees are due *in Canada*. Members who continue to pay directly to the UK are by-passing their Canadian privileges and therefore, will be unable to enter students for exams in Canada. The UK has assured us that they will not send out membership forms for 2009. Please let me know immediately, if you receive a form.

The CSC would like to remind members, that even if you are not entering students in for exams or not advertising your qualifications, you are still required to pay a yearly membership in order to keep your status in good standing with the Society. Paying the yearly reduced rate of \$160.00 will keep your membership current, but you must pay by March 31st, 2009 to receive this special rate. Members, who allow their membership to lapse, must go through a re-instatement process, which would involve retaking your Associate exam or backdating all missed membership payments.

Thank you for being a Cecchetti member. We will work hard to continue to support you.

Yours sincerely,

Louise Clatney A.I.S.T.D. Cecchetti
